

Diff E-Q

Calculus Lyrics by Denise Fuji McCleary

[Sung to “Can’t Help Falling in Love” by G.D. Weiss
which was made famous by Elvis (Presley not Costello)]

Diff EQs

Are such fun to solve

We could start drawing a nice slope field

Diff EQs

Need just four steps

If we could just remember those four steps

First we separate

Then we integrate

Now we solve for C

Then we just – we solve for y

Diff EQs

Are such fun to solve

Just remember to do those four small steps

Just remember to do those four small steps
