

## Captain of U-Sub

Lyrics by D.F. McCleary

Sung to the Beatles "Yellow Submarine"

Calc AB is where I'm at  
Trying to learn to add a "C"  
Integration's not that hard  
If you captain a submarine

So I learned about "u-sub"  
Got to find u and du  
Can't forget about that "C"  
When you captain a submarine

### CHORUS

We are all the captains of u-sub  
The captains of u-sub, the captains of u-sub  
We are all the captains of u-sub  
The captains of u-sub, the captains of u-sub
